

April 23-26 Sectional

There will be no food service from the hotel except breakfast for those staying there. There will be coffee and tea in the morning. There will be a Sat. hospitality suite. In order to help you plan; You may “brown bag” your food for lunch or drinks. There is fast food available close by including:

McDonalds and Arby’s just south of the hotel.

Circle K next door to the south or at Ajo and Palo Verde to the north.

Chopstix and a vegan restaurant at Ajo and Palo Verde.

There will be a break on Sun for lunch.

The good news is that we won’t be at this hotel again unless they change their policy.

The other good news is that the future playing site will be either the Hotel Tucson or the Grand Luxe on Grant at I-10.

The Luxe will let us do our own food or have it brought in and we will have coffee and tea all day, this will be starting with the Oct. 15-18 Sectional.

Please come and play as always, the bridge will be unaffected by these changes.

Thanks

Steve Reynolds, tournament chairman
